45-ppm

Powerful Features. Vibrant Results. Effortless Office Productivity.

Transform the way you work with the RICOH IM C401F and IM C401SRF. These A4 colour multifunction printers (MFPs) deliver robust functionality, wide software compatibility, and an intuitive design that empower fast-paced offices. Whether printing, copying, scanning, or faxing, these models enable your team to share information quickly, securely, and with vibrant colour.

Delivering professional-quality output, these devices are ideal for organizations seeking a balance between functionality, sustainability, and cost-efficiency, all in a space-saving design.

Key features:

Seamless Performance

Streamline your workflow with integrated print, copy, scan, and fax capabilities, enhanced by Ricoh's embedded software solutions for remote management, mobile connectivity, and document processing.

Superior Print Performance

Achieve fast print speeds of up to 45 ppm and crisp 1,200 x 1,200 dpi resolution, delivering vibrant colours and sharp, precise text for professional-grade documents.

Sustainable Design

Drive your sustainability efforts with ENERGY STAR-compliant MFPs, featuring 10% post-consumer recycled content, 42% less plastic packaging compared to previous models, and a sleep mode that cuts the power consumption of the Smart Operation Panel (SOP) by 45% when compared to previous generation models.

Advanced Security Features

Keep confidential information secured from unauthorized access with user authentication and the Erase All Memory function, which overwrites the drive at the end of life. Enable secured printing with advanced encryption and enhanced network security through features such as IEEE 802.11, 802.1x, and validate firmware and applications with Trusted Platform Module (TPM) 2.0.

User-Friendly Design

Boost productivity with the intuitive 10.1" SOP which simplifies navigation, while integrated stapling on the IM C401SRF makes finishing tasks effortless.

Simplifying Office Work, Empowering Productivity

The RICOH IM C401F and IM C401SRF are built to address the unique challenges of modern offices, providing reliable and efficient solutions for teams who need to quickly share and process information.

Whether it's scanning to digitize documents, printing high-quality colour outputs, or securely managing sensitive data, these A4 colour MFPs offer an efficient, streamlined solution.

With a focus on sustainability, data security, and intuitive operation, Ricoh ensures these devices support your goals while enhancing productivity and reducing operational complexity.
